

YOU'RE INVITED! Join the Muzology Family Ambassador Band (FAB)!

Ready to become a *rockstar advocate* for learning? The Muzology FAB is a community for our most passionate parents who want to share the beat, earn rewards, and help other families discover the magic of music-powered math.

The Perks: What You Get as a FAB Member

As a Muzology FAB member, you'll receive a ton of great benefits. Here's a breakdown of what you can expect:

Your Monthly Mission: The "Share the Beat" Challenge

To unlock your rewards, complete these three simple steps every month:

1. **Create 3 Pieces of Social Media Content.** Post three times per month on your favorite platform (Instagram, Facebook, or TikTok).
2. **Make One Post a Video or Story.** This is your headliner! Share a clip of your child dancing, a personal video testimonial, or a screen recording of an "aha!" moment.
3. **Get Creative with Two Other Posts.** These can be photos, stories, or more videos. Share the real journey—the grade glow-ups, the funny moments, the story of how a tough concept finally clicked.

Your Backstage Pass: The 3 Golden Rules

For your posts to be counted, they must follow these three rules:

1. **Tag Us: @Muzology** This is the most important rule! Tagging our official account in your post is how we track your contributions and see your amazing content.
2. **Use the Hashtag: #MathThatMoves.** This is our official campaign hashtag that helps spread the word and builds our community's presence.
3. **Include the Logo:** Add the Muzology logo to your posts to make them official. You'll get easy-to-use logos in your Welcome Kit!
